

RIVER MOUNTAIN FARM PRESENTS: A JUMPING CLINIC WITH CALLIE SCHOTT MARCH 30 & 31

"Callie worked very hard during her time with us at John Madden Sales and became a great asset to our operation. She has truly become a top professional in every sense of the word from her riding, training, and teaching to her overall management style. We are excited for her to take the next step in developing her own business. We look forward to continuing our working relationship with her and will be supporting her all the way!"

John & Bezie Madden

Originally from Versailles, KY, Callie has spent the last four years as the assistant rider for the two-time Olympic gold medal winning team of John and Bezie Madden. With top finishes in prestigious shows such as Spruce Meadows, American Gold Cup, WEF, Kentucky National and The Hampton Classic, Callie has established herself as a rising star in the sport of show jumping. In addition to competing, she has trained several of the Maddens' students at various levels from Child/Adult jumpers to Grand Prix. She is excited to be returning to River Mountain Farm this spring to offer world-class training to the Lexington area.
